## Requests...

---

Think about your requests ahead of time. The more familiar and simple they are, the less teaching and more time for dancing there will be for all of the dancers attending. We will start the evening with dances from the anchor program, and then we will handle as many requests as we can.

If you need to brush up on the anchor dances a bit, we will walk through some dances starting at 6:30 pm before the party begins.

Bring your enthusiasm and refreshments to share as we start a new year and decade of dancing. **Pray for good weather and dry roads!**
